Declaration of Compliance 2017/18

Mixed Sex Accommodation

Rotherham Doncaster and South Humber NHS Foundation Trust continue to be compliant with the Government's requirement to eliminate mixed-sex accommodation.

We have the necessary facilities, resources and culture to ensure that patients who are admitted to our hospitals will only share the room where they sleep with members of the same sex and same-sex toilets and bathrooms will be close to their bed area. In addition, we utilise the Safeguard reporting process to provide assurance that same sex facilities are maintained.

Sharing with members of the opposite sex will only happen when clinically necessary and a risk assessment has been undertaken.

If our care should fall short of the required standard, we will take immediate action to resolve the situation and we will report it. We will publish the results of all audits in the Trust Quality Report and Annual Report.
