

APPENDIX B

WARD CD SIGNATORY AND COUNTER SIGNATORY SAMPLES

WARD: _____

NAME	ROLE	INITIALS ¹	SIGNATURE ²	DATE

- 1. Initials – this is the mark you would use on a drug card to indicate the medication had been administered.
- 2. Signature – this is the signature you will use in the CD register as a primary signatory or a counter signatory. When signing here you are indicating that the signature and initials are true representation of those you will consistently use medicines related stationary.
